EM3500SX/EM3500X generators. All information in this publication is based on the latest product information available at the time of approval for printing.

**Thank you for purchasing a Honda generator.**

Once in a great while the choke will stick due to poor design and at that time it will have to set for hour or two before restart. Has only happened a few times and is not an issue in normal temps. Can be a problem at below zero temps. Honda has probably eliminated the problem in newer models. I recommend spending the extra money...get the Honda.
