Honeywell's 50250-S is a bit different from some of the company's other air purifiers (also called air cleaners) sold today. As it's a slightly older design, it works the same in many ways but it's a bit different as far as features and details go.. Basically, the 50250-S is an air purifier that's a no-frills "workhorse" designed for large rooms up to 390 square feet in size.
