The interior lights on my 2010 Volvo C70 do not come on when doors are opened (courtesy lights & back seat lights do). They do not work when central switch is pushed for lights. They do come on (although dimmed) when press either left or right light switch (both lights on no matter if left or right switch is pressed). Thank you if you can help

Volvo Interior Lights Parts. Volvo manufactured its first vehicle in 1927 and since has thrived from a small city industry to an auto market global leader, and more specifically with their Interior Lights

parts and components. Burnt out Volvo interior lights can be a problem.

### **Volvo Interior Lights Parts | FCP Euro**

You'd think so, but it's a Volvo, and Volvo problems don't follow any sort of clear logic. At least mine doesn't. I only discovered that my lights would stay on unless I leaned on my door slightly with it shut...so it's apparently a problem with that one.
