Induma Milling Manual

From previous postings on Induma mills, it is apparant that there is a demand for manuals for them! After Sydney's request, I dug mine out of the files, both manuals. the stock 1-s, and the supplement for the varidrive head. I have them copied into a pdf format and any one who want a copy i can forward a set to them.

Induma Milling Machine Manuals - The Home Machinist!

Induma has replied to my e-mail. I was starting to wonder if they where still in biz. They still have the manual for my machine, in english too. They still have parts for it as well. Good to know concidering they said that judging from the serial# the mill was 1970-1975 vintage. Indmachrep, I have a question for you.

Description. Number of Pages: 45. This is a reproduction, not a photocopy, of an original Italian Induma 1-S Vertical Turret Milling Machine Operator and Parts Manual.

INDUMA 1-S Vertical Turret Milling Machine Parts Manual ...

I'd postulate that an Induma is a better made and slightly beefier mill than a B'port as well. I know I'd prefer an Induma to a B'port but I enjoy being different. Anyway, I found a Induma 1/S Operator and parts manual pdf for you if you're interested.

Universal Milling Machine - Induma

Which Induma did you get? Induma mills are very interesting machines. The offset Y axis screw is pretty unique to the Induma's I believe. I haven't run one but they appear to be stout and well made machines. The only durability issues I've ever heard about them concern their electrical systems. Have you got a manual for the mill?

Induma | Ozark Tool Manuals & Books

I looked at this mill several months ago, and had read everything I could find on Induma before going to se it. So, based on the non existent parts support, and relative scarcity I offered about scrap value and was turned away. Got a phone call yesterday and it was mine, delivered, for \$300. It runs ...
