How to Fix Browser Settings Changed By Malware or Other Programs Chris Hoffman  
@chrisbhoffman Updated September 15, 2017, 10:18am EDT Malware, adware, and pushy software installers all love changing your browser settings, giving you new home pages, default search engines, and obnoxious toolbars.

### **How to Fix Browser Settings Changed By Malware or Other ...**

Whether you start the engine with a pull rope or the turn of a key on an electric start motor, you're relying on the ignition system to produce a spark inside the combustion chamber. When you start your lawn mower or small engine, you turn the flywheel and its magnets pass the coil (or armature). This creates a spark.
