This ihc d358 engine, as one of the most lively sellers here will entirely be along with the best options to review.

Ihc D358 Engine

I have an 826 with a D358 in line 6 diesel engine. After having the local dealer rebuild the engine several years ago, it has never run right since - white smoke. From reading other posts here, I am pretty sure that the valve job on the cylinder head - grind seats and valves - is the culprit. Fro...

Parts Manual for International Harvester D358 Engine. This Parts Manual contains 602 pages of helpful information. The manual is a digitally enhanced reproduction of the OEM manual and is bound for a lifetime of use.

International Harvester D358 Engine Parts Manual

Robby: I have never owned a 310 or 358 German, 360 or 312 US engine. I have operated the 766 and also several 886. One of the 886 had a 360 engine while others had 358 engine. The 360 has way better lugging power than the 358. I once asked an IH dealer why they changed from 360 to 358 in the 886.
