## **How To Reference A User**

How to Cite a User Manual in a Paper. If you are conducting research on a product or service, you may reference a user manual or instructional guide in your paper. Whenever you reference a source in your work, cite it properly so your reader knows where you found your information. In American Psychological Association, APA, style,...

## **How to Cite a User Manual in a Paper | Pen and the Pad**

You can reference another user using their name, and optionally by linking to a relevant question or answer that they wrote, or to their profile page. This isn't the same as the @ reply used in comments, which actually isn't a reference to a user, but a reply to them. See [How do comment @replies work?](#) for more information about comment @ replies.
