We can't directly answer your question without the actual PC Model Number. However, on many Dell's, such as the Dimension E510/5150 models, a flashing amber power light indicates a power supply failure.

**Solved: flashing amber power button - Dell Community**

Overview and product type. The Dell Latitude is a laptop family from Dell Computers, intended for business use. By contrast, the Dell Inspiron is aimed at the consumer market and its specifications change regularly. Whereas Inspiron may change vendors or components several times over the course of a single model, the Latitude line generally retains identical components throughout its production.
