How To Put In A

Put a tee in the ground in front of the ball when you practice (right). This gets you thinking about the target line instead of the stroke--the opposite of what most golfers do.

4 Putting Tips To Hole It - Golf Digest

Focus on the edge of the cup. When you start visualizing the break on the green, imagine how you see the ball rolling into the hole. Consider the hole as a clock face, with "12" being the back of the cup and "6" at the front. As you start to address the ball, turn your body so that your putt will aim in that direction.

3 Ways to Putt - wikiHow

4. Unroll the condom down the shaft of your penis all the way to the base. You can put a few drops of water-based or silicone lubricant inside the tip of the condom before you roll it on. You can also add more lube to the outside of the condom after it's on your penis.

What is a 'Put Option'. A put option is an option contract giving the owner the right, but not the obligation, to sell a specified amount of an underlying security at a specified price within a specified time frame. This is the opposite of a call option, which gives the holder the right to buy an underlying security at a specified price, before the option expires.

Put Option Definition - Investopedia

What It Is. A put is a financial term that refers to a put option, or a contract between the buyer and seller of a securities option allowing the buyer to force the seller (or the writer of the option contract) to buy the security. The term also means, in a generic sense, the option to make another party purchase something.
