Re: Indmar 5.7 L engine Problems Thanks, it looks like that is the problem. He talked to the dealers here and they said its normal and there is nothing they can do. One dealers said they can add a pump but not until the fall. Doesn't anybody have any ideas if this is an easy fix? could we do it ourselves. THANKS

A few months ago there was a post regarding the service manuals for Indmar engines being available soon from [www.clymer.com](http://www.clymer.com). Well, they have them in stock now, and I was wondering if anyone has one yet, and whether or not you though it was worth \$40.00 or so to get one. The description says its 46...

I apologize in advance, this might be a little long... My 21V has an Indmar Assault 325 engine. Never had any problems with it before this year. First time out this yer: when the engine has been running for at least 20 minutes, it will start to bog down - won't run over 2k rpm. It even backfires some. We thought it might be bad fuel, so changed the fuel filter, and replaced the gas.

Hi all, Have a 2001 Sunsport with the Indmar 5.7 L. Tried to start it up for the first time this weekend, when I turn the key I get a clunk, and then another clunk when I release the key. All of the wiring connections are good, and I can turn the engine over with a pry bar. It sounds like the starter is coming out and hitting the flywheel, but not spinning.

Then you end up with a bad install,bad engines, And then indmar wants to blame the whole world about the problems,and they take no credit and wont make good for anything? Hopefully theres a way that if anybody does a search for a engine,repower,etc. That they get the imfo of what a lowlife,scum sucking company indmar is.
