### How do you use the self timer on a Nikon D3000 - answers.com

The D3000 (I'll assume you have the D3000, not the D300) doesn't have a movie mode, thus, doesn't have live view. Get used to using the view finder as it is mostly a superior way of composing your image. The only time I use live view is macro and studio photography of still objects when I need to manually focus.
