Rated 5 out of 5 by TerryN from Good purchase Even though I am retired and don't use all the stages, it's still good to have it lowered at night, which I could have done, but with this unit I don't have to remember and it starts warming up a few minutes before I get up in the morning. It has a 4 star because the tabs were missing from the package and my colors weren't the same (internet search ...
