Amazon.com: honda ivtec engine

Compile a list of the world's most reliable petrol engines and it's likely one name will appear above all others, and that's Honda. However, the success of their diesel engines, particularly their relatively new 1.6-litre i-DTEC unit available in both the Civic and CR-V, has led many to forget that the company is famous for its high-revving and largely unbreakable VTEC units.

Honda Civic 1.8 i-VTEC Review | TestDriven

2020 Honda HR-V Turbocharged VTEC Engine Review, Specs, & Changes – Trust Honda if it claims we're looking at the 2020 HR-V for the European market, but the truth is told, the styling tweaks the subcompact crossover went via are really simple. The most obvious change is at the front where there is now a shiny chrome panel above the grille to substitute the shiny black trim of the pre ...

Honda Civic 2007 I-vtec Prosmatec Review

Many Civic variants have since gained cult status, the most famous of which must surely be the mighty Honda Civic SiR. Powered by the legendary 1.6l DOHC VTEC B16A engine delivering first 160ps and then 170ps, the Civic SiR was responsible for establishing the Civic as a sports-sedan that is highly respected for its performance abilities.

Civic 2.0 i-VTEC Full Review

VTEC (which stands for Variable Valve Timing and Lift Electronic Control) is an electronic and mechanical system in some Honda engines that allows the engine to effectively have multiple camshafts. As the engine moves into different rpm ranges, the engine's computer can activate alternate lobes on the camshaft and change the cam's timing.

What does the VTEC system in a Honda engine do ...

Honda/Acura Engines Archives - JDM New York

I absolutely love my Honda Civic 1.6 SR VTec. It has just had it's 13th birthday and it can still push out power to excite from the outstanding VTec engine. My neighbour calls it my Formula 3 Civic. I have driven this car and I mean really driven it, the engine is outstanding and has never let me down.

Honda Civic 1.6 Vtec Reviews | Family Cars | Review Centre

This is my second review now I've had the New Honda Civic 1.8 ES i-VTEC for a while. I still love it and the styling. The handling is spot on and the engine is performing great, with 42mpg returned on average, particularly on motorway cruising. However the niggles:- The fuel cap has been fixed twice as the internal release didn't work.

New Honda Civic 1.8 ES i-VTEC Reviews | Sports Cars ...

The 3.5-liter SOHC i-VTEC V-6 engine available in the Accord Sedan and Coupe is the largest and most powerful engine ever offered in a Honda passenger car. It builds on technologies that have been developed and refined on previous Honda powerplants. With its 60-degree V-angle, the Accord's V-6 engine is inherently very smooth and has compact ...

Engine Block and Crankshaft 2.4-liter i-VTEC 4-cylinder engine Accord's 2.4-liter engine has a die-cast aluminum block with a single main-bearing cradle design that creates a rigid assembly to help minimize noise and vibration. Centrifugal spin cast iron cylinder liners provide long lasting durability.

The Temple of VTEC - Honda and Acura Enthusiasts Online ...

However, Honda's Earth Dreams CVT bucks this stereotype. It is actually surprisingly good, and is a welcome surprise. It's smooth and unintrusive and makes light work in heavy traffic, which is becoming a norm on our roads. Can kui VTEC? The problem with a CVT is that it's a lot harder to push the engine to its limits.

Car Review - Honda Civic 1.6 i-VTEC (A) - sgcarmart.com

Under a heavy boot, as engine speed builds past 4,800 rpm, Honda's well-established VTEC variable valve-timing system transitions to a high-lift, long-duration intake cam profile for outstanding ...
