Honda is bringing a range of race cars and performance products to SEMA, with the Civic Type R Crate Engine being available only to professional racers.

Honda To Sell Civic Type R Crate Engine, But Most Can't Buy It

The F4 is light: at 428 pounds wet, only the R6 is lighter. The versatility of the F4 is amazing: This is a bike that can be enjoyed equally by both the expert card holder and the intermediate rider fresh from track school. Pick any line going into the corner, flick it over and the F4 obeys without complaints.
