9300t - software update - latest versions? — Digital Spy

I don't know what AR is. Channel 4 programmes ended early, BBC2 started late. I have the Humax box set to 'on time' if that helps. All my channels come from Rowridge. When I do a manual search using the Midhurst codes (the nearest Transmitter to me) I get 'no channels found' every time, it is not pointing to Midhurst.

PVR-9300T Software Updates « My Humax Forum

How do I upgrade the software (firmware) of the Humax. Periodically new software (firmware) is released by Humax with fixes and additional features. ... The Humax will now download the software update in the background, while you watch TV. The download can take up to 30 minutes if your Internet is slow.

How do I upgrade the software (firmware) of the Humax ...

I've had my unit since about late 2011 and have never been able run a software update on it, the version showing is UPTTF 1.00.26 July 7 2011. Auto or manual updates do not work. You have the most recent software which is why there has been no OTA software update. I have many problems

with my PVR, mainly due I think to a poor Freeview signal:

User's Manual - HUMAX-United Kingdom
A couple of years ago, I bought a Humax 9300-T PVR and, once a firmware update had been applied, it's been a pretty solid piece of kit. I had avoided applying any more firmware updates because for consumer electronics my approach is generally one of "if it works, don't fix it!". Unfortunately it seems the ...
